

## THE MOST IMPORTANT DETAIL OF YOUR NEW HOME? YOUR MORTGAGE LENDER!

### SEE HOW WE CAN HELP YOU SAVE MORE MONEY THAN YOUR BUILDER'S LENDER.

A lot of thought goes into buying a new-construction home, from the small details to the big ones. So don't overlook one of the most important – your lender. Read on to see how mortgage brokers can make the buying experience financially better for you:

- You don't have to use the builder's preferred lender. Mortgage brokers can offer a low wholesale rate with fewer closing costs paid out-of-pocket
- You have options. We have relationships with multiple lenders and can shop around to offer you the best loan
- Special incentives aren't always better. Often, a builder will roll those costs right back into your loan
- You don't have to go it alone. Consider us your personal shopper with your best interests in mind
- We have access to multiple loan products and more-competitive pricing. Why pay a higher rate when you don't have to?
